SPACES

A vibrant blue background is scattered with various party decorations. In the foreground, there are two party cups: one white with colorful polka dots and one bright pink. Several colorful streamers in shades of green, gold, and red are draped over the cups. Numerous small, multi-colored confetti pieces are scattered across the surface. Interspersed among the decorations are large, colorful letters in various colors (yellow, pink, green, purple) and smiley face candles with yellow and green bodies. The overall scene is festive and celebratory.

*Just got the décor to your party
and not the venue?*
